

The Chalk Man You can feel it in the woods, in the school and in the playground; you can feel it in the houses and at the fairground. You can feel it in most places in the small town of Anderbury . . . the fear that something or someone is watching you. It began back in 1986, at the fair, on the day of the accident. You can feel it in the woods, in the school and in the playground; you can feel it in the houses and at the fairground. You can feel it in most places in the small town of Anderbury . . . the fear that something or someone is watching you. It began back in 1986, at the fair, on the day of the accident. That was when twelve-year-old Eddie met Mr Halloran - the Chalk Man. He gave Eddie the idea for the drawings: a way to leave secret messages for his friends and it was fun, until the chalk men led them to a body. Thirty years later, Ed believes the past is far behind him, until an envelope slips through the letterbox. It contains a stick of chalk, and a drawing of a figure. Is history going to repeat itself? Was it ever really over? Will this game only end in the same way? ...more The Chalk Man PDF ebook
